

IJGMB announces:

The International Journal of Genetics and Molecular Biology (IJGMB) publishes high-quality solicited and unsolicited articles, in all areas of the subject. All articles published in IJGMB will be peer-reviewed.

Call for Papers

The journal (IJGMB), covering all areas of the subject welcomes the submission of manuscripts that meet the general criteria of significance and scientific excellence, and will publish:

- Original articles in basic and applied research,
- Critical reviews, surveys, opinions, commentaries and essays.

The objective is to inform authors of the decision on their manuscript(s) within four weeks of submission. Following acceptance, a paper will normally be published in the next issue.

Instruction for authors and other details are available on our website www.academicjournals.org/IJGMB. Prospective authors should send their manuscript(s) to ijgmb.review@gmail.com

Open Access

One key request of researchers across the world is unrestricted access to research publications. IJGMB is fully committed to Open Access Initiative by providing free access to all articles (both abstract and full PDF text) as soon as they are published. We ask you to support this initiative by publishing your papers in this journal.

Invitation to Review

IJGMB is seeking for qualified reviewers as members of the review board team. IJGMB serves as a great resource for researchers and students across the globe. We ask you to support this initiative by joining our reviewer's team. If you are interested in serving as a reviewer, kindly send us your resume to ijgmb.review@gmail.com
